This year's Wayzata Hockey team had lots of desire and determination to win though there weren't many marks in the win column. The season record was 3-14-3.

The team followed the leadership of Craig Baker, Don Mitchell, Chris Dunlap, and goalie Bob Hunt. Craig was high scorer with eight goals and nine assists. Don and Chris tied for second with ten points apiece.

Bob Hunt was bombarded by opponents and made 520 saves. The percentage of goals let in by Bob was 12.5. This fine record earned him an honorable mention on the All-Lake Hockey Team. Defensemen on the squad were Bruce Tenney and Gene Casey.

The nucleus that will form next year's team is Dick Berg, Bill Scheller, Barry Stensrud, and Tim Hawthorne.
