## Spirits Rose As Pep Club Boosted

Pep Club promoted pep and enthusiasm in both quantity and quality at Trojan events plus a real live Trojan mascot for football rallies. Club members chalked up points for participation in club activities and were rewarded with pins and charms for their eager efforts. Members cheered at games, worked on a homecoming float, made posters for game publicity, provided a needy family with a Thanksgiving dinner, and started the first All Sports Day in honor of winter sports at W.H.S.
