

A.F.S. Introduced Ulla And Max

Ulla Visapaa (with the hand of some unknown admirer) flashed a smile.

The American Field Service, better known as A.F.S., this year imported to W.H.S. a super skier from Finland, Ulla Visapaa, and a folksinging guitarist from South Africa, Max Hahn. Ulla told us about Finnish life and customs, spoke to several community groups, and her great cross-country ability made a big hit with the ski crowd. Max, with his British accent, charmed the girls, introduced a guitar club, and argued his political views. The A.F.S. Club provided assistance and transportation for Ulla and Max, and planned social events such as the A.F.S. Ball, and Variety Show. It chose, as finalists from Wayzata, Dusty MacGregor and J. C. Hawthorne for the A.F.S. program next year.

That was a G7m Diminished chord! Max Hahn was caught in a typical pose.

Trojettes Sparkled At Pep Fests

L-R. S. Wells, L. Thwing, K. Peterson, J. Betker, P. Midents, P. Engel, C. Larson, C. Wing, L. Harmon, B. Olson, J. Johnson, G. Beseth, J. Markle, B. Taylor, S. Lindelof.

The high stepping Trojettes combined precision kicking with pulsating pom-poms to add color to pep fests. Exchanging their blue and white costumes for Levi's and sweat-shirts, fourteen regulars and two alternates put in two grueling rehearsals a week. With a shortage of advisors, Chrissy Wing and Gail Beseth tackled the responsibility of choreographers.
