

# Future Teachers Learned How

Future Teachers of America learned to teach through actual classroom experience in several elementary schools in the area. Under the leadership of Miss McPhee and the executive board; Merry Mathison, Judy Klapprich, and president, Pam Jones, the girls were placed in the grade in which they plan to teach. They spent about an hour a week in this class helping the teacher or students with projects and after school studying.

## El Club De Espanol Celebrated Christmas

This year's Espanolites were a swinging group—learning Spanish dances under the tutelage of Profesora Ohman, club advisor. From dances they turned to games with a Spanish flavor and then to the annual Christmas fiesta—complete with pinata and gift exchange. Plans for a trip to the Casa Coronada to enjoy the savory dishes of the Spanish gourmets were followed by a cooking project devoted to Spanish recipes.

Eager hands grabbed for candy from the broken pinata.

Stuffing pinatas sure beats studying Espanol! Becky Jones, Lynn Schwie, Mary Makepeace. Row 1—P. England, C. Opat, M. Hanson, S. Larson, L. Campbell, K. Van Brocklin—sec., Row 2—B. Ritter, L.
