

We, the eighth grade, the first class to go through all eight grades at St. Barts, wish to thank the teachers who have taught us in previous years. To the cooks, who have fed us so well; to Mrs. Mandy, who typed final copies; and to Mr. Eareckson, who printed our yearbook, we also wish to express our gratitude.

We would like to dedicate our yearbook to Sister Ruth Ann, who has helped us organize our Student Council, and patiently readied us for high school.
