

Our Third Year

The third grade started out with a bang! Expecting to find a nun, we were greeted by a cheerful woman named Miss Tiedemann. During the course of the year we made a newspaper filled with news. This was made after our visit to the Minneapolis Star and Tribune.

Soon after Easter vacation, we got a new teacher, Mrs. Getten, for you see, Miss Tiedemann got married and left us.

A Fun Year

Sister Pontia, our fourth grade teacher, may have seemed strict in fourth grade, but now we all know that she really wasn't. Our penmanship was really "perfected" in that year, but.... Our year wasn't very eventful, but we had a lot of fun.

The Fifth Grade

The fifth grade started off with a scare, as we walked in to see a tall heavy-set nun with a cane - Sister Herman Joseph.

Our year was filled with a few events, such as, the first time we sang in church. After hard work and study, all of us succeeded in passing on to the sixth grade.

We did lose some friends - John Foty and Patty Leighton. Our new friends were Tom Lebens and Karen Ryan.

Our Sixth Year

We were the first class to be blessed with the "new" Miss Reimer, who is now Mrs. Willegalla. This year went quickly by with all of our school activities. This year we moved to the newly added second floor of our school.

Our new friends were: Kathy Fleischhacker, Bill O'Melia, Cathy Eareckson and Hal Conick. Our friends that left were Roger Hendricks and Karen Ryan.
