

The St. Bart's "B" team went into the playoffs with an 8-1 record, tied with Sunset Hill for first place. We then had to play the fourth place team, which consisted of our fellow classmates, the St. Bart's "A" team.

We went into the game nervous and confident. We played a good first half and were leading. Our rebounding was poor in the second half and St. Bart's "A" took the game away from us. We won our consolation and then hung up our tennis.
